To drop off donations, please visit our Donation Center:

- 1950 Vandalia St, Collinsville, IL 62234
- 10am-5pm Wednesdays-Fridays and 10am-3pm Saturdays
- Leaving donations on our premises outside of these hours is considered dumping, which is illegal. Placing items in our dumpsters is also dumping. We prosecute all instances of dumping.

The Donation Center can be accessed by driving around to the back of the ReStore:

- Please drive slowly and carefully as there can be a lot of traffic coming and going
- Our Donations Ambassadors will be there to unload your donations
- We can provide you with a receipt for tax purposes upon request

Please know that our Donations Ambassadors review all potential donations to ensure they meet our standards, and they are instructed to decline donations that do not.

Our standards are based on accepting items that will generate meaningful revenue based on factors such as the item's demand by our customer base, its turnover time, and its size or square footage.

It is possible that you may have some very nice items that won't meet the above criteria. We ask for your understanding as we hold true to our donation standards so we can meet our goal of generating revenue to fund the construction of new homes for Habitat for Humanity.

In this way we work together toward Habitat for Humanity's vision of a world where everyone has a decent place to live.

Have several large items to donate? We offer a pick-up service:

Email us at Donations@LCReStore.org or text us at 618-660-6243 to learn more.
